Notes

Section 6(1) of the Zoo Licensing Act 1981 requires that an application for renewal of a zoo licence must be sent to the Local Authority *not later than six months* before the due expiry date of the licence.

Since a re-inspection of the zoo is also required by that date (except where a direction has been issued by the Secretary of State under Section 14 of the Act) the application should preferably be made *at least eight months* before the expiry date in order to allow sufficient time for re-inspection to be arranged and carried out.
