EAST COKER PARISH COUNCIL

7th December, 2017

Ms J Manley
Planning Department
South Somerset District Council
Brympton Way

Dear Ms Manley

East Coker Neighbourhood Plan – Regulation 15 Submission

Further to earlier discussions, we have now had the report back from Edward Cousins, a London Barrister who completed the 'Health Check' on the Plan. We have addressed all the points he mentions.

Please find attached the following East Coker Neighbourhood Plan documents, which the Parish Council is formally submitting to the District Council, in accordance with Regulation 15 of the Neighbourhood Plan Regulations.

- East Coker Neighbourhood Plan
- Consultation Statement
- Basic Conditions Report

All of these documents are also available on the Parish Council website, http://www.eastcokerparish.com/neighbourhood-plan/

I believe that the next stages, which are taken forward by yourselves, will be Regulation 15 publicity and the arrangements for the Examination.

We would welcome any further engagement that is required to assist in progressing the Plan through the next stages.

Many thanks for your continued help and support, which is much appreciated here in East Coker.

Yours sincerely,

Gillian Macpherson
